

## WITT – Speaker Bios – February 2024

**Christine Flott** has practiced project and change management for 20 years in the fields of healthcare and professional services. She is happiest helping support humans navigate the changes that come with technology. Christine has her undergraduate degree from DePaul University's School for Business Management and her Masters in Library and Information Science from Wayne State University. She is the owner of NaCl Consulting, a project and change consulting practice that puts her extensive experience to use. Christine is a member of WITT, PMI (Project Management Institute), and ACMP (Association of Change Management Professionals).

With over a decade of experience in healthcare, **Nora Johnson** is a seasoned professional known for leading transformative projects and implementing effective change management strategies. Currently serving as an internal consultant for United Health Group, Nora navigates the intersection of business and healthcare with a focus on innovation and impactful solutions.
